STUDIO POMPIDOM PORTFOLIO 2024

Welcome to the never-ending patterns & products from STUDIO POMPIDOM

After years of working as a senior pattern and product designer for renowned brands like Oilily World and Pip Studio, I founded Studio Pompidom while traveling across Europe in a campervan.

In this showcase, you'll discover Studio Pompidom's ever-growing collection of unique visual stories. While the focus here is on surface pattern design, I have extensive professional experience in both pattern and product design, ranging from stationery, ceramics, textiles and more...

I am eager to collaborate and combine our strengths. My passion lies in creating beautiful, standout artworks, and I'm equally comfortable working in commercial settings, where deadlines and constructive feedback are not only manageable but welcomed.

Enjoy the visual journey, and I look forward to the opportunity to connect soon! Many many greetings,

Janneke Hoeben,

Studio Pompidom
