STUDIO POMPIDOM PRINTS 2025

Hi Robert and Todd!

Thank you for taking the time to review my portfolio! I'm excited to submit my work and hope to be considered as an artist for Stupell.

I currently work as a freelance designer under Studio Pompidon, specializing in intricate, layered patterns and detailed illustrations that are bold and vibrant. My digital hand-drawn artworks are inspired by vintage floral prints but carry a distinctive, personal touch.

This portfolio highlights a selection of my work, organized into key categories such as Flora & Fauna, Winter Holiday, and my personal favorite niche: Water Sports!

I would be delighted to be considered for Stupell and look forward to the opportunity to connect soon!

Many many greetings,

Janneke Hoeben,

Studio Pompidon
